Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (**SOA**).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS from the insurer. The PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that policy.

What kinds of financial services are you authorised to provide to me and what kinds of financial product/s do those services relate to? WWSI is authorised to advise and deal in general insurance products to wholesale and retail clients (see definition of retail client on page 5). We will do this on behalf of your broker unless we tell you otherwise.
Sometimes we will act under a binder or agency WWSI has from an insurer. When we act under a binder or agency, we will be acting as the agent of the insurer. This means that we represent and act for the insurer, not for you. We will tell you when we act under a binder or agency to arrange your insurance or advise you about your insurance needs.

Will I receive tailored advice? Maybe not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, WWSI issue insurance policies to you or to give you advice about your insurance needs. What information do you maintain in my file and can I examine my file? WWSI maintains a record of your personal profile, including details of insurance policies that we arrange or issue for you. How will I pay for the services provided?

Payment for the services we provide you are payable directly to WWSI. For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. WWSI often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to WWSI by the insurers. In some cases, you will also be charged a fee. These will all be shown on the invoice that is sent to you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay WWSI within the time set out on the invoice.

If there is a refund of premium owed to you because of a cancellation or alteration to a policy, we will retain any fee we have charged you. We may also retain commission depending on our arrangements with the insurer.

When you pay us your premium it will be banked into WWSI's trust account. WWSI will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with WWSI arrangements with the insurer. WWSI will earn interest on the premium while it is in their trust account or WWSI may invest the premium and earn a return. WWSI will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

WWSI's commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = WWSI's commission

Y% = the percentage commission paid to WWSI by the insurer. WWSI's commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that WWSI or we charge you will be:

- An administration fee in addition to commission when you enter into an insurance policy.
- A flat fee for arranging an insurance policy or a fee based upon the time we spend advising you.
- An annual management fee.

WWSI does not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If WWSI does, WWSI will pay commissions to those people out of its commission or fees (not in addition to those amounts), in the range of 0% to 25% of its commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary that may include bonuses based on performance criteria.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

WWSI is a Steadfast Group Limited (**Steadfast**) Network Broker. Steadfast has exclusive arrangements with some insurers and funders (**Partners**) under which Steadfast will receive between 0.5 - 1% commission for each product arranged by WWSI with those Partners. Steadfast is also a shareholder of some Partners.

WWSI may receive a proportion of that commission from Steadfast at the end of each financial year (or other agreed period)..

As a shareholder of Steadfast WWSI has access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to Steadfast Network Brokers for a fee.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you WWSI may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that WWSI is paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when WWSI becomes entitled to the commission.

WWSI's commission rates for premium funding are in the range of 0% to 4% of funded premium. When we arrange premium funding for you, you can ask us what commission rates WWSI is paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will set out in the premium funding contract.

WWSI may, from some insurers, receive profit share payments at the end of a financial year based upon the overall performance of the portfolio of business placed with them. WWSI keep the details of these arrangements confidential to certain PSC Board members only who have no involvement with placement of insurance business, in order to prevent any prejudicial treatment in our dealings between you and the insurers with which we place your policies. Any profit share received is used to help relieve corporate expenses and is not directly passed on to employees as a bonus/profit share.

For some scheme policies, PSC Insurance group does have shareholding in two underwriting agencies, Breeze Underwriting and Chase Underwriting, which provides specialised products the specific industries. These businesses operate independently from the broking business.
